INTEGRATED AGRICULTURE-AQUACULTURE: A PRIMER

Daya Publishing House, 2005. Hardcover. Condition: New. This primer is an edited and slightly revised version of a previously published integrated agriculture aquaculture (IAA) technology information kit. It contains 38 contributions in seven sections, covering sociocultural, economic and environmental considerations in introducing IAA technologies, overviews and various examples of integrated farming systems including livestock-fish and rice-fish integration, as well as selected aspects of fish feeding and management, and fish breeding and nursing in IAA. The document aims to give decision-makers...

Reviews

This written ebook is excellent. This really is for all those who state that there was not a worthy of reading through. You are going to like just how the article writer compose this ebook.

-- **Arielle Boehm**

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.
