As the court plunges into mourning, Nan sets her sights on the greatest match in the land. for the king has noticed her. After all, it wouldn't be the first time King Henry has chosen to wed a maid of honor. And in newly Protestant England, where plots to restore the old religion abound, Nan may be the only one who can reassure a suspicious king of her family's loyalty. But the favor of a king can be dangerous and chancy, not just for Nan, but for her family as well. and passionate Nan is guarding a secret, one that could put her future--and her life--in grave jeopardy should anyone discover the truth. Based on the life of the real Anne Bassett and her family, and drawing extensively from letters and diaries of the time, Between Two Queens is an enthralling picture of the dangers and delights of England's most passionate era.
